

Credit Card / EFT Dues for a Full-Time Employee

- The table below shows dues that would be charged monthly if you are full-time and want to have your dues come from paying with a credit card, or having your dues taken from your checking account each month.
- Credit card and EFT (electronic funds transfer) deductions are over a 10-month period.
- You do not pay dues for the months of August or September.
- Each month, the amount you are charged each month changes depending on when you join AEA.
- If you join in September, your monthly dues are \$75.10
- If you join in February, your monthly dues are \$79.50 until July 31. In October, it will reduce to the monthly deduction price of current year.
- The reason monthly dues increase after the month of October is because while NEA and UEA are prorated each month, the AEA dues amount remains constant throughout the year.
