

Payroll Dues for a Full-Time Employee

- The table below shows dues that would be charged monthly if you are full-time and want to have your dues come from payroll deduction.
- Payroll deduction is over a 12-month period.
- Each month, the amount you are charged changes depending on when you join AEA.
- If you join in September, your monthly dues are \$62.58.
- If you join in February, your monthly dues are \$66.51 until August 31. In September, it will reduce to the monthly deduction price of current year.
- The reason monthly dues increase after the month of September is because while NEA and UEA are prorated each month, the AEA dues amount remains constant throughout the year.
